

April 27, 2018

Since 2012, Jostle Corporation has been on a very steep growth trajectory and was recognized as BC's fastest growing company in 2017. Our rapid growth meant that more high quality individuals were needed across all of our operations, not the least of which was the sales team! To continue our rapid growth, it was imperative for us to find, attract, and hire top performing sales people to impact our bottom line.

Sales Talent Agency, were able to help us gain access to a pool of passive candidates who we would not have had access to on our own. We were very impressed with the speed and level of urgency at which they operated and the level of professionalism and expertise they provided throughout the entire process.

We are incredibly pleased with the results of our partnership with Sales Talent Agency and would highly recommend them to any organization looking to grow their sales team with top sales talent.

Thank you Sales Talent Agency!

Sincerely,

Don Wadsworth
